***Allowable Subject Matter***

1. Claims 58-75 are allowed as per the BPAI Decision of 9/8/2006.
2. The following is an examiner's statement of reasons for allowance:

As per Claims 58 and 66.

The present invention is directed to a computer implemented method for providing financial services to a client which are deployed according to a selectable set of criteria. Each independent claim identifies the uniquely distinct features "determining the frequency of need of the services and assigning services to a core, affiliated and non-affiliated group".

The closest prior art, Moran(US 6430542A), McGovern(US 5918207A), The VIP Forum, Fact Brief, Family Services, February 2000 and Bruce Upbin, "Old Money Chasing New", Forbes, June 15, 1998, vol. 161, iss. 12, disclose financial services allocation, ranking of candidates and family office services, either singularly or in combination, fail to anticipate or render the above underlined limitations obvious.

The claims which depend from the above allowed claims are allowed based on their dependencies.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
